## Administrator

We do not own the gift, we are managers of them.

## Since the beginning

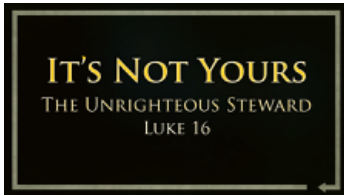

Genesis 2:15: To “work” the garden is literally to “serve” it.

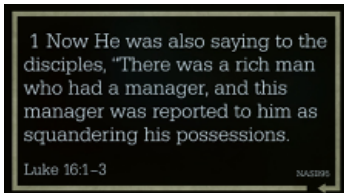

To “take care” of the garden is literally to “keep” or “protect” it.

Why would God place man in paradise and expect him to care for it? A steward is to serve faithfully his master. In this case the Master is God and the "merchandise" was the Garden, and animals.
